An Ocean of Hot Water

Each day in thousands of homes, our special heaters are on the job, helping in the housework and putting pleasure into bathing and shaving. If you could gather all this hot water together into one big tub, you would be astonished to find that only a year's delivery of hot water from these heaters would float the Leviathan.

Think of it—an ocean of hot water. You can be one of the many who benefit from this hot water. Just install one of our special heaters and let it continue working for you all the time.

\$5 down

We developed this thermos bottle type heater to give you continuous hot water at low cost. It's cheaper and more convenient than a furnace coil.

GET IT ON FREE TRIAL
We will connect this new type heater on Free Trial! Just ask us for this trial offer—see why thousands are pleased. Then, too, we will buy your wasteful furnace coil, giving you a liberal allowance on the purchase of a heater. The cash price is now only \$75—ask us about our easy payment plan.
