

## MEMBERS OF CLUB OFFER IDEAS FOR CITY BETTERMENT

Paper Which Depicts The "Ideal Farmington" Read At Meeting Of I. F. W. C.

The regular meeting of the Farmington Woman's Club, was held Wednesday, January 30, at the home of Miss Hard. The program, "Suggestions for City Improvement" was in charge of Mrs. William Irish and Mrs. Lloyd Gullen, each of whom ably presented the matter of certain imperative needs. Miss Meriah Andrews dealt thoroughly with a matter that demands immediate attention. A member of the Club who wished to remain incognito contributed a most interesting and suggestive paper (read by Mrs. Irish) depicting the ideal Farmington. A committee consisting of Mrs. Gullen, chairman, Miss Andrews, Mrs. Irish, Mrs. Pierce and Miss Hard was appointed to consider and work for certain much desired improvements.

The next regular meeting will be held Wednesday, February 13, with Mrs. Holcomb as hostess. The program, "Patriotic Day," is in charge of Mrs. Frank Steele, assisted by Mrs. George Hendry and Mrs. Howard Osmus.

## HARBOR SPRINGS MAN CHOSEN BY WEEKLY EDITORS

150 Members Gather For Annual Meeting At East Lansing

East Lansing, Jan. 31.—Elmer A. Hanna, publisher of the Harbor Springs Graphic, is the new president of the Michigan Press Association, organization of the state's weekly or "home town" newspapers.

Election of officers closed the fifty-eighth annual conference of the Association, held at Michigan State College January 24 to 26. More than 150 members of the press group and their families gathered from all sections of the state for the meeting.

Hanna succeeds W. H. Berkeley, of the Cassopolis Vigilant, the retiring president. Other officers selected were A. Van Koeveing, Zeeland Record, vice-president; and Herbert A. Wood, Bangor Advance, secretary-treasurer, for the fifth term.

Problems of building better newspapers were attacked from all angles during the three-day conference. National authorities on various publishing and advertising subjects took their place on the program, along with leaders from the Michigan editorial field.

The annual Michigan Press Association banquet with the State College serving as host, was a feature of the meeting, more than 100 members of the current state legislature attending as guests of the M. P. A. Governor Fred W. Green; Jim Schergerhorn, of Detroit; Rep. Verne Brown, publisher of the Ingham County News; and Sen. Chester Howell, publisher of the Chesaning Argus, were speakers.

## GROVES-WALKER POST MEN GOING TO LANSING

Representatives from Farmington will be Commander Harley Schroeder and Adjutant Charles Lacke of Groves-Walker Post and Commander Myron Carrier and Adjutant Herbert Lindstrom of the Oakland County Council.

The boys will leave Saturday morning and return late Sunday evening.

The delegates were elected at the annual county Republican convention Wednesday morning. The convention was held at Pontiac.

## NEW SIGNAL INSTALLED

A new traffic signal has been installed at the intersection of Grand River and Middle Belt roads, east of Farmington. While not yet in operation, it is expected the light will be working soon. The corner is considered a rather dangerous one because of the hilly approach from the south on Middle Belt. Hitherto an amber light has been in use.

## HUDSON-ESSEX RECORDS

During 1928 Hudson-Exess was the third largest builder of motor cars in the N. A. C. Clarks, and consequently, it occupied third position at the National Automobile Show.

The company expects to produce a quarter of a million 1929 models before July 1st.

The conclave belt moulding which starts at the front and completely encircles the body of the new Pontiac Big Six is an entirely new feature of body construction.

## WITH THE MICHIGAN LEGISLATURE

From the Lansing Bureau.  
of the  
Michigan Press Association

Lansing.—The legislature, after several weeks spent in getting organized, getting acquainted, making committee trips to all sections of the state to investigate conditions and requirements of the various institutions, is now getting down to the actual business of the session. Bills by the score are pouring into the hopper every day.

The outstanding legislation of the present session is, undoubtedly, the matter of ways and means of raising the money to pay for the ten-year building program of state institutions proposed by Governor Green. His income tax proposal has met with considerable opposition, the favorite argument being that any new tax, even though proposed for a certain time, is almost certain to remain as a permanent tax.

Many other methods of raising the proposed expenditure for rehabilitation of the too-long-neglected state institutions are being proposed, on which is apparently finding some support, being a proposed amusement tax on admission tickets to all places of amusement. The proposed amusement tax would impose a five-cent tax on all tickets under one dollar, with exemptions on church, Legion and other non-profit attractions, and it is estimated that this tax would bring in about seven to eight millions. It is proposed that one million of this fund shall go to the relief of the poorer school districts of the state, the balance to take care of the proposed rebuilding program of state institutions advocated by Governor Green.

The proposition presented by a Detroit member to consolidate a number of the northern counties of the lower peninsula has met with a storm of protest from the counties mentioned.

Representative Milton R. Palmer of Detroit proposes a constitutional amendment, permitting the appointment of circuit judges for life, doing away with their election and taking it out of politics. A public hearing on this proposition is set for February 12. The proposition has many warm supporters.

Representative Lynn Gardner, former speaker of the house, has offered a bill banning females from wearing bathing suits on the highways. Representative Luther Hall of Ionia countered the following day with a proposition that no male person wearing a red bathing suit unless covered with a blanket, shall appear on any public highway.

Many changes are being proposed to the criminal code, all of them so far applying to the liquor laws. Very few of the legislators are favorable to drawing any teeth from the present criminal code in any other way, except to exempt the mandatory life sentence for four violations of the liquor laws.

A bill sponsored by Senator George Leland of Fennville would give the securities more power to curb doubtful issues of stocks and bonds, without sufficient tangible assets back of them.

Many propositions are being brought before the assembly asking for a split of the gas and weight tax receipts for township highway construction, predicating the demand on the rapid increase of gas and weight tax receipts. Another proposition is to abolish township highway commissioners and put all roads in control of the county, while still another proposition is to have township highway commissioners elected by the township board instead of the voters of the township.

Up to the close of the Friday session 97 bills had been introduced in the House, and even more in the Senate, but none has yet gone to the Governor for his signature. With the opening of business the coming week, however, the mill will begin grinding in dead earnest. Speaker Ming is satisfied that the general work of the session is about two weeks in advance of the corresponding data of the 1927 session. If the budget goes through without too much delay it seems that a comparatively lively closing of the session may be possible.

Members of the legislature who were guests at the annual banquet of that organization expressed themselves as highly pleased with the affair and the contact it gave them with many newspaper men from all sections of the state.

This week is the big week of the year at M. S. C. "Farmers' Week" always brings an immense throng of farmers from all sections of the state and many interesting meetings are scheduled. With it also comes the annual meeting of the state association of supervisors, usually well attended.

## FARMINGTON MEN ATTEND COUNTY LEGION MEETING

Oakland County Council, American Legion, held a meeting at the Community Hall in Birmingham Wednesday.
