

CHURCHES

Methodist Church
Dr. H. Addis Leeson, Pastor
"The Peril of the Pinnacle" will
be the subject for the second

sermon in the series of three on
the topic "The Armageddon of
Jesus." This is a study in modern
light of the wilderness.
During the weeks preceding
Easter, this church is holding
"Vesper Services" in the after-
noon. The hour on Sunday will

be about 5:30 p. m., a trifle later
than on the preceding afternoons.
This brief and popular service is
followed by light Sunday evening
refreshments and a social "sing"
with the old favorites.
The Sunday School meets at 12
noon under the leadership of Mr.
Wells D. Butterfield, superintendent
and Mr. Harold McCracken,
associate superintendent. The
school invites young and old to
share in its privileges. A full
equipment of song books newly
published and a newly purchased
by the school adds to the spirit
and attractiveness of the school.

HOT WATER Gives Your Razor That Feather Touch

A sharp razor+hot water—a good shave. You
can't get around it, hot water spells the dif-
ference between a clean, swift shave and an
irritating scrape. It gives your razor
that feather touch. What a pleas-
ure to have sizzling hot water all
ready for you in the morning; no
lighting of heaters or heating
of water on the stove. You,
too, can start the day
right with plenty of
hot water. Install a
special heater and
forget all your
hot water
problems.
