6th DISTRICT SCHOOL NOTES

Wm. Grace School Second and Third Grades

Four children entered our school this week. Arvilla and Charles Christy are the two children to enter our room.

Our enrollment now numbers forty.

Mrs. Wilkinson, the new first grade teacher, will begin her work Monday, March 11.

The Kindergarten and first grad both come in the morning, the Kindergarten will go home at noon and first graders will stay through the afternoon session.

The roads in the district have been in bad condition. The bus has had difficulty in reaching all the children.

Mr. Lindstrom will appreciate it very much if children will walk to nearest places to meet him.

—Mrs. Plumton.

CHEVROLET BUILDS OVER 100,000 IN 45 DAYS

Assurance that Chevrolet's position as "world's largest builder of automobiles" will be sustained again this year, is contained in official production figures which give 106,914 passenger car and truck units as output for the first 45 days production on the new sixes. This figure not only eclipses all previous records of manufacturers of six cylinder cars, but actually exceeds the entire year's output of any other manufacturer during the first year.
