**FUNERAL SERVICE IS HELD HERE FOR EMMET L. IRVING**

Native Of Farmington Dies Suddenly At North Vernon, Ind.; Was 41 Years Of Age

Funeral services were held Monday at the home of Emmet L. Irving for his son, Thomas Ligm Irving, 41, who died suddenly last Thursday morning, March 21, at North Vernon, Ind. Burial took place in the family plot at Oakwood beside the mother of the deceased, who passed away two years ago.

Mr. Irving, who left Farmington many years ago, spent about several months here last summer. He was born on April 19, 1883. Surviving are his father, Thomas L. Irving; a brother, Thomas Durward Irving of Tulsa, Okla.; a son, Lemuel H., a daughter, Lenore Irving Hollis, and a grandson, Irving Clayton Hollis.

Rev. Frank Adams of Farmington Universalist Church officiated at the funeral services.

Heart failure is believed to have caused Mr. Irving's death. According to a letter received by his father from Mr. and Mrs. George H. French of North Vernon, he had been living with them only about a month. In that time, however, he had come to be regarded almost as a member of the family, and had spent Wednesday evening, March 20, chatting with Mr. and Mrs. French and their two children.

Just before going to bed, Mr. Irving said he felt ill, and called a doctor. The doctor left after giving him some medicine, and Mr. Irving asked Mr. French to "look in" upon him later in the evening, and also in the morning.

Mr. Irving was sleeping when Mr. French looked in the room on his way to bed, but in the morning he found that Mr. Irving had died in his sleep.

Spencer J. Heeney assisted the father of deceased with arrangements for bringing the body to Farmington for burial.

**Petition For 2-Year Term Causes Furor**

(Continued from page one)

telephoned and asked if he would consent to withdrawal of Mr. Otis' petition "for 2-year term" and placing of Mr. Otis' name on the ballot with the other candidates, the three highest to be elected for the full term and the fourth man for the "short term." Mr. Eisenlord's reply was reported to be that Mr. Otis' name must be placed on the ballot exactly as petitioned for, or difficulties might result.

Unable to decide on a plan, and unwilling to allow eight candidates to battle for three positions while the ninth had no opposition, the Commission called a recess until Saturday afternoon. Several plans were proposed and seemed likely of adoption, but were objected to for one reason or another.

**Suppression Debated**

Mayor Wells B. Butterfield declared that the filing of the Otis petition "was a clever trick," and should be honored, as such but that City Clerk Power had made a mistake in withholding a public matter from the press.

Mr. Power rose to his feet and declared that when Mr. Eisenlord had handed him the petition Thursday afternoon, he had asked Mr. Power to "keep it quiet," and particularly not to inform the Enterprise. Mr. Power said that he had "felt it was my bounden duty to do so," and that he believed a member of the Commission would have done the same. Commissioner Hogle replied that he "believed not."

Amendment A Factor

Under the Charter as amended, the City Commission may add candidates to those for whom petitions are filed. Until it was amended last fall, the Commission was required to add names necessary to make two candidates for each place.

At least five plans were discussed. The first was that Mr. Otis be placed "in the field" with the other eight aspirants. As soon as they learned Mr. Eisenlord's attitude, however, the Commission dismissed this idea.

Then it was suggested that one of the eight candidates be named to run for the "short term" against Mr. Otis, leaving seven to compete for the full term. This proceeded far enough to have the Commission place the petitions in a pile and have Fire Chief Harvey Brough draw out a name, which was that of Emory Hutton. Later this plan was rejected as not feasible.

Other Plans Offered

Then it was suggested that two of the candidates be named to run against Mr. Otis, making it six for three offices and three for one. This also was rejected.

Then it was suggested that a citizen not nominated be selected to contest with Mr. Otis. This, too, failed of approval.

Finally, at the Saturday afternoon meeting, it was suggested that since there was no evidence of intention on the eight petitioners as to whether they were to be for full or "short terms," that all eight be placed on the ballot for both terms and Mr. Otis for short term. The three receiving the highest votes for full term will be elected, and the one polling the highest vote in the "to fill vacancy" column will be the winner of that place.

The name of Ernest A. Fink was placed on the ballot for justice of the peace by the Commission, no petition having been filed for that office.

The polls will be open from 7 o'clock in the morning until 8 o'clock in the evening Monday at the Town Hall.
