## The Difference

Between a dollar spent and a dollar saved is two dollars.

Did you ever look at it in that light?

Then, too, there is the satisfaction of knowing that every dollar laid by in a savings account is working for you. Each year it earns a percentage of itself for your use and benefit.

If you have a savings book, add to your balance that dollar you are about to spend. If you have no book bring the dollar here and start an account. We have a savings book for you.

## Northwestern A. C. Wins First Game By 1 Run

Northwestern Athletic Club won its first baseball game of the season Sunday, defeating Eastern Michigan Buss team of Detroit 22 to 21 in a ten-inning game. The contest was played on the St. Johns diamond at Orchard Lake and Maple roads.

Northwestern went into the ninth inning seven runs behind, but staged a rally that brought in enough tallies to tie the count. The Detroiters were held scoreless in their half of the tenth and the Northwestern boys counted the winning run in their portion. Stephen pitched for Northwestern.

Next Sunday Northwestern will play the Plymouth and Stark Road team on the latter's diamond.

## Edgewater Park Will Be Opened On Friday

Edgewater Park, big amusement park located on Seven-Mile near Grand River road, is to be opened Friday, May 24, for the 1929 season. New amusements, rides, shows, and an attractive new entrance on Berg road are announced as features.

Admission and parking is free, as has been the custom. The ballroom, with music under the supervision of Jean Goldkette, will be re-opened with the remainder of the park for the summer season.

A large crowd is anticipated for the opening Friday night.

A stooping posture is said to be unhealthy, though that kind of a posture over Father's knee in the woodshed used to be called wholesome.
