## Electric Cooking Is Sootless

AN ELECTRIC RANGE supplies pure heat, without smoke or flame. With an electric range, cooking utensils are free from soot, and kitchen walls and curtains are easily kept clean. The dirt and discomfort of cooking with fuel is now unnecessary. Electric cooking saves labor because of its modern cleanliness.

You can enjoy electric cooking in your kitchen now. Convenient time payments and a liberal allowance for your present cooking equipment make it unusually easy for you to own a modern electric range. Come in and inspect the many attractive models.
