WHY

—do you find one man at the head of a flourishing business, making money, while another is just "getting along?"

Answer: One man has had the good sense to cultivate his bank account—while the other just "let it slide."

Advanced Engineering in the New 612

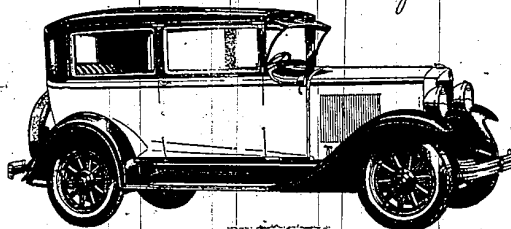

Car illustrated is Model 612, six cylinder, five passenger, two door Sedan

\$895 at factory, special equipment extra.

You will find the same principles of modern design and advanced engineering in the new Model 612 that distinguish the larger Graham-Paige sixes and eights. We invite you to examine the 612 for surplus value, and to make your own comparisons.
