Juror Kept Tab

In a trial at clincimant, one of the jurors kept track of the evidence with toothpicks. When the defences were a point he would put a (cothpick in one pocket and when the istness correct a point he would put a (cothpick in another pocket. There were so many toothpicks in the second procket that this juror voted for conviction at once.

this jurer voted for convertion at once. Mud Burned for Power Burning mud in problec electric power is being tried in Germany with remarkable succeeds.
