**Everything****You Want Or Need In  
A Modern Automobile**THERE IS NOTHING  
QUITE LIKE THE NEW FORD  
ANYWHERE  
IN QUALITY AND PRICE

UNTIL you ride in the new Ford—share its comfort—know the thrills of guiding it easily and safely through thickest traffic or stepping it up on the open road, you cannot begin to appreciate the value that has been built into this car.

It is difficult to believe that so much beauty, quiet, comfort, safety, speed and power can be had at such a low price. It would be impossible if this new car were made by anyone but Ford.

The low price of the new Ford and its exceptional performance are the results of manufacturing practices and economies as unusual as the car itself. The new Ford is more than a new automobile. It is the advanced expression of a wholly new idea in modern, economical transportation. For here, at a low price, is everything you want or need in an automobile—beautiful low lines and choice of color—four Houdaille hydraulic two-way shock absorbers—Triplex shatter-proof glass windshield—full enclosed, silent six-brake system—vibration-absorbing engine support—quick acceleration—55 to 65 miles an hour—typical Ford economy, reliability and long life.

Come in and let us demonstrate the performance of this car. You'll get a real thrill in driving it.

**WALLED LAKE FOOTBALL TEAM TIES JONTIAC R'B**

Walled Lake High School football team's second tie game of the season was played against Pontiac Reserves on Friday. The Pontiac team made a touchdown in the first four minutes of play. This was their only score of the game, the final score, being 6-6, and was made following a fumble by Bowen on their 23-yard line. Two end runs and a line smash enabled the visitors to cross the goal line.

Walled Lake outplayed Pontiac but was unable to score until the first part of the last quarter when Eno intercepted a pass near the Pontiac goal-posts and ran 30 yards for a touchdown. The interception of the pass seemed to stupefy the Pontiac team. Eno running through practically the entire team to plant the ball
