CHURCH NIGHTS BEING PLANNED EACH MONTH

Starting Sunday morning, October 127 church services at the Walled Lake and Commerce churches will be changed. Sunday School at the Walled Lake Church will be at 10:30 and the morning service at 11:30. The Commerce morning service will start at 10 with Sunday School at 11. Services at the Four Towns Church will be in the afternoon. This change was adopted by Rev. Eds following a meeting of the official board last Sunday evening at the Walled Lake Church and to comply with the wishes of the Commerce Church.

Plans are under way by the Walled Lake Methodist Church to have "Church Nights" at least once each month. The first affair will be held on Friday night, November 15 with Rev. H. H. Halliday as speaker. The High School music department under the direction of Miss Margaret Leonard will furnish the musical part of the program.

After the first of the year Gov. Fred W. Green and Rev. M. S. Rice will be speakers.

A steam heating plant will probably be installed in the Church this next week. Glenn H. Chafy, local plumber, is investigating the need and a plan to comply with his findings will be provided. At the same time Sunday School rooms will be put in the basement.

Special Communication Farmington Lodge No. 151, F. and A. M., Monday evening, October 28, at 7:30 p. m. Work in the second degree.
