A Genuine Ford 13 Plate Battery

Designed by Ford

For Ford Products

\$850

Quick Starting! Long Life! Low Cost!

These are three reasons for the outstanding preference for the Ford 13-plate battery—a preference so pronounced that more than 12,000 of these 13-plate, 6 volt, 80 ampere hour batteries are manufactured every day to meet car owners' demands.

Only the finest materials and skilled workmanship could produce a

battery of this quality. Only Ford quantity production makes possible its sale at such a price.

Add to its low price the rugged strength and long life for which the Ford battery has always been noted and you will understand why it has created an entirely new standard of battery value.

Come in today and let us put one of these full powered batteries in your car—you will be delighted with its performance and you will appreciate its instant response when you step on the starter.
