one playground alone, at Rye, includes every known amusement at its cost of \$8,000,000 and returned last year a profit of \$39,000, all concessions being operated by the County.

Good Investment

That the great Westchester Park system is a good investment at its cost of 60 millions of dollars is shown, it was stated, by the increase in valuations of the County from 700 millions to a billion and one-half since the park system was built, drawing in thousands of new residents and increasing the County's wealth.

So impressed were the Michigan officials that ideas regarding a similar park developed at once. Mr. Bond said, for this part of the State.

Use Judgment

Unless we are misers, and few of us are, we get great pleasure from spending money—and the more we spend, the better we like it.

—But once it's gone, there's no way of getting it back. Its' gone forever and it's done us little good.

Judicious spending is, of course, necessary, for we must live and we must have a fair proportion of pleasure.

—And it's far better to spend wisely and save the difference than it is to spend foolishly and save nothing. Saving means comfort and peace of mind.

Without then life is hardly worth living. Why not come and see us some time soon?

LEGION AUXILIARY MEMBERS TO SELL VETERANS' POPPIES

Annual Poppy Day To Be Observed In Honor Of War Dead

Members of the Farmington American Legion Auxiliary will sell poppies in the community on Poppy Day, Saturday, May 24.

"These poppies are made at the veterans' hospitals, by men who do not receive any compensation from the Government," it is stated. "It is their only source of revenue, enabling them to help take care of their families.

"Another purpose of the Poppy sale is to pay tribute to the World War dead. The wearing of the poppy is a beautiful custom. There is no finer way of showing that the people of America still remember and honor the service and sacrifices of the men who gave their lives for their country. We want every person possible to have this little symbol of sacrifice on his coat on Poppy Day and if our poppy sale accomplished nothing else this touching tribute to the dead would be worth the fullest efforts of every Auxiliary member."

GETTYSBURG, WHERE LIE 979 UNKNOWN SOLDIER HEROES

TO THE sleeping martyrs, whose graves billow every battlefield, it matters little what we may now say or do. Our tender offerings of affection will be lost upon their mounds, and the sweet aroma of our scented flowers be uselessly exhaled to air, save as we revive our faith in the doctrines which they defended, and our zeal in the cause for which they died.

—COL. JOHN P. JACKSON

In homage to the heroic dead this institution will not be open Memorial Day, May 30th.
