EDITORIAL

Because Farmington students were entering the State scholastic contest at 35. Pleasant for the first time little hope was given them of receiving honors. Nevertheless they went. Three of them were fortunate to carry off first honors. We do not like to assume they were lucky. That being the wrong interpretation we will presume they studied just what was asked them on the tests and were well enough versed in their work to defeat all of their opponents.

George Mairs came from Novi four years ago. Throughout his school career Mairs has received A's and B's in most of his subjects. Latin is the only exception. He missed being salutatorian by just a few marks. Farmington can feel proud of George Mairs.

Frances Schmidt and Helen Borchart are both freshmen and are at the head of their class in

marks. Frances passed the seventh and eighth grades. Helen Borchart, Tennessee. She moved to Farmington and plans to graduate from here. She was recently appointed to the student council by her class-mates.

Helen Borchart started in Farmington in the fifth grade. She also plans to graduate from F. H. S.

Next year the school hopes to send entries to the contest. A greater scholastic interest should be created throughout the year as a result of the fine showing our students made this year.

SENIORS TO HAVE PROM

Plans for the annual Senior Prom have been completed. The affair this year will be held at the North Branch Club, instead of in the gymnasium as in other years. Tommy Thompson's five-piece orchestra has been secured to furnish the music and dancing will begin at 9 o'clock. The invitation are being issued this week.

SENIORS PLAY HOOKEE

As the last bell rang at 8:30 last Tuesday morning, 24 members of the Senior class were in cars speeding in the opposite direction from the school.

This run away turned out to be the Senior Skip Day.

The class, with Mrs. McCulley, as a chaperone, drove direct to Island Lake where they spent the day with games, returning in time for the baseball game at Redford.

HI-Y MEETING

The Club has set Tuesday, June 3 as the date for all the semester dues to be in.

The Hi-Y voted at a special meeting last week to place the Hi-Y picture in the Annual. The vote was in favor and each member will be assessed 15c to cover expenses.

JYLEEN WINS FIRST IN JAVELIN THROW

Farmington had five men entered in the Regional track meet at Ypsilanti Saturday. They annexed a total of eight points.

The men entered were Philo McCulley, Jack Jyleen, Glenn Weimer, Harford Utley and Marvin Turner.

Jyleen won first place in the javelin throw with a heave of 153 feet. The record in the javelin is 162 feet, 3 inches which was set in 1922.

McCulley won the other three points by copying a second in the low hurdles. Both Jyleen and McCulley will be representatives of this school at the State track meet this Saturday.

ERRORS BEAT TRITONS

Farmington errors beat Farmington last Friday in the annual Farmington-DeARBORN game.

The Tritons made eleven errors and four hits the team batting average for the game was .143.

There were four earned runs during the contest and each team earned two but 11 errors permitted 7 runs for DeARBORN. The final score was 9-5.

Consistent hitters on the team are McCulley, Fendit and Turner, being the only Triton batsmen sitting over 300. McCulley leads with an average of .393. He raised his average a couple of hits at DeARBORN.

Farmington did not score until the fourth when McCulley hit a single and Fendit bounced a home run off the right fielder's leg scoring two runs. Two more runs were scored in the sixth and one in the seventh.

Nacker started on the mound for Farmington, but was relieved in the fifth by Cox. DeARBORN annexed seven hits of these two pitchers.

Next Friday the team will go to Northville.

VICTORY COMES EASY

New Hudson's tennis team was defeated Friday, May 14 at Farmington by the girls' team of F. H. S. The score was 3 to 0.

Roberta Russell, substituting in the singles for Mary Ellen Fink, defeated her opponent with ease. She won her first two games 6-1, 6-3. Roberta has never played singles before in an official match.

Eleanor Perry showed her usual form when she took her match by winning 12 out of 14 games. Her scores were 6-1, 6-1.

Virginia Otis aided Roberta in the doubles to complete the match with a win. They conquered their opponents, 6-1, 6-4. Mary Ellen could not play because of illness. However she is expected on the courts again this week.

Farmington high school has now won two ball games from the South Lyon nine, winning the first game 22 to 8 and taking the second game Tuesday night by the score of 6 to 3.

Cox turned in another good pitching performance, turning the Lyon's down with four hits. Errors permitted the South Lyon team to score all their runs in the last inning.

The Triton's played an all-around good ball game; the fielding of the team showed quite brilliantly and nine hits were cracked out for a team average of .360.

McCulley got a home run in the sixth inning. It was his second of the season. He also knocked a four-bagger at South Lyon. The bases were full at the time.

This Friday the team will journey to Northville for another game.

PLANS BEING MADE FOR STATE FAIR AUTO RACE

State Fair Speedway-Plans are rapidly assuming shape for the running of the third annual championship 100 mile auto race under sanction of the contest board of the A. A. A. to be held on the mile banked track on the State Fair track, Detroit, Sunday, June 8, a speed battle which will see none but the new two men type of cars as starters direct from the Indianapolis 500 miler. In fact the entry specifies that none but the starters in the Hoosier classic can enter. This means a driver and a mechanic in each

car—cars which will weigh much more and will have larger power plants and will be faster. Fourteen cars are to start and \$10,000 in prize money is up, and because it ranks next to the Indianapolis race in importance during the year the contest board of the A. A. A. has awarded 570 points toward the American championship for the year.

In addition to the title race there will be a 25-mile curtain raiser for state-owned cars and the drivers who are just busting into the flair of the roaring road.

All tickets go on sale at the Detroit and other motor clubs in the State May 25th.
