Choose an ELECTROCHEF* electric range and receive this cooking set without extra charge!

A 7-piece set of heavy-duty Mirro-aluminum cooking utensils, specially designed for high efficiency, is included with

every ELECTROCHEF electric range installed in the homes of Detroit Edison customers. This is a set that any woman would delight to have in the kitchen. The utensils are constructed with black heat-absorbing surfaces for high-speed cooking. Cooking is one-third faster, and the amount of electricity needed for a cooking operation is greatly reduced.

See the ELECTROCHEF at any Detroit Edison office. Its cash price installed is \$105, with all necessary wiring. Down payment \$10, balance \$6 a month. Sales under these conditions made to Detroit Edison customers only.

*A study of 500 homes showed that the cooking cost with the Electrochef range averages 64 cents a person per month.

MICHIGAN BELL TELEPHONE CO.

When a man settles down in

his easy chair, he wants undisturbed comfort, above all. What will add more to his comfort and ease than an extension telephone beside him, so that he can make and receive calls without getting up? . . . The

Much important business is transacted over the telephone after working hours

cost of extension telephones is so little—only a few cents a day each—that a great many people have them installed in several convenient locations about the home, such as bedroom, kitchen, den and basement.

To place an order, or for information, call the Michigan Bell Telephone Company and ask for the Business Office. Installation

will be made promptly.
