Advantage Of Forgings Told By Ford Dealer

There is a vast difference between steel forgings on the one hand and iron castings or stampings on the other, Olin Russell, local Ford dealer, said today.

"Forgings are formed while red hot under high pressure hammers," Mr. Russell said. "This gives strength combined with lightness of construction that is not to be attained by castings or steel stampings such as are ordinarily used."

"Castings, formed by pouring molten metal into moulds, have more weight than forged steel but lack its toughness. They may have flaws, such as air bubbles, which cannot be detected on the surface. Furthermore their use is limited to more or less bulky parts. Steel stampings, while possessing light weight, are limited to shape and design which can readily be formed from flat stock. Beyond that there must be a compromise between possible shapes and strength."

"With steel forgings there is no compromise. They may be at once designed and made to that form which most economically uses the weight of steel required. They have a known quality of strength, which insures durability and reliability. Through heat treating they may be made hard and tough to suit requirements. Thus the highest quality is obtained."

Mr. Russell said there are more than seventy forgings on the Ford car.

TWO TOUCHDOWNS IN LAST 3 MINUTES PLAY

A real "thriller" was Farmington High School "B" team's victory Tuesday over the Wayne "B" team at Farmington with both teams scoring touchdowns in the last three minutes of play.

Farmington was leading, 6 to 0, when Wayne tied the score. Farmington received the kick-off and on a few fast plays and a forward pass scored another touchdown to win, 12 to 6, just as the game ended.

COMMITTEES ARE CHOSEN BY THE LEGION AUXILIARY

Organization Presents Check To Community Welfare Workers; Plan Bake Sale

An interesting business meeting of the Ladies' Auxiliary of Groves-Walker Post, American Legion, was held Monday, at the home of Mrs. Warren Joy.

Committees were appointed with the following chairmen in charge: Mrs. Isabelle Lueke, child welfare and rehabilitation of soldier and orphan relief; Mrs. Dorothy Smith, community welfare relief; Mrs. Minnie Hogle, sick call and relief; Mrs. Hattie DeVriendt, membership committee.

Plans were made to hold an attractive "silver-tee" bazaar and bake sale on Saturday, November 15 at the former National Food Store, next door to Kroger's. Lunch will be served at noon, and a menu will be found elsewhere in this paper.

On Tuesday, Armistice Day, a check for \$10.50 was presented by the Auxiliary to the new community welfare workers, to help buy clothes for needy people. After the meeting social hour was enjoyed by all. Games were played, prizes given, and refreshments served by the hostesses.

—Isabelle Lueke, Historian.

Northwestern Wins Hard Game By 6 To 0

Conquering the hardest opponent they have met thus far this season, Northwestern A. C. football team last Sunday kept their record clear, not being scored on in seven games this season. Lawn dale Merchants of Detroit put up a most stubborn battle, and yielded by only one touchdown, 6 to 0.

The only score came in the third quarter, on a 20-yard pass from Newcomb to Robinson, who ran 20 yards more through a broken field to the goal. Robinson also made the feature play of the game, a spectacular 65-yard run from his own 15-yard line to the visitors' 20-yard line.

Next Sunday Northwestern will meet another fast Detroit team, Metropolitan A. C., on Northwestern's field.

Brother Is Shot By Gas Station Bandits

Hudson Sherman, elder brother of Mrs. David Ross of Farmington, was held up and shot last week at Lansing. Mr. Sherman operates a gasoline station three miles north of St. Johns on M27.

The bandits failed to get anything but Mr. Sherman was shot through the shoulder. He has returned from the hospital and is gaining this week.
