**Six Good Reasons
Why You Should Carry
Your Automobile Insurance
With The "CITIZENS"**

1. Automobile accidents increasing yearly. We cover all forms of automobile insurance, either full coverage or deductible, new or old cars.
2. Over 50,000 persons seriously injured in Michigan in 1930, 2,000 of whom died. In the great majority of these cases, claims would undoubtedly be made against the driver for many thousands of dollars.
3. Automobile Insurance is a real necessity. In 1915 only 114,000 automobiles were licensed in Michigan. About 1,500,000 were running in 1930. With paved highways, rapid traffic, and over 12 times as many cars, the hazard has increased.
4. This Company, during 15 years, has paid out over 120,000 claims, nearly \$8,000,000.00. The Company has saved its policyholders many millions.
5. With a state-wide organization, with able attorneys in each county, the Company is able to adjust promptly all legitimate claims.
6. 99% of all claims have been settled out of court, and the unjust and unfair claims defended.
