# ROAD QUESTION

Although Turned Down by the Supervisors it Will Not Stay Down Very Lang

The board of supervisors turned down the good roads proposition at the October session, but they can

be first in the field in this particular line of progress. Many sec-tions have been retarded in their progress. Many sections have been retarded in their development and people and wealth directed to other, localities where the voters were far sighted enough to be first in the field with improved high-

The board can hinder but can not prevent Oakland county from taking up this question in a very short time and when the time comes we have such confidence in the good sense and in the pro-gressive spirit which our farmers have to feel assured that when they once get a chance to vete on the question that it will carry overwhelmingly.

## KELLY IS AGAIN

Off Due to Broken Arm

Mike Kelly, whose name indi cates that he is, at least, near Irish, is back on the jch again the October session, but they can Irish, is back on the job again feel assured that their action is a after as enforced lay-off as conlong ways from being final. The duction of good roads is one that will not stay down. The subject when the hind end off his car is one that is receiving a great deal swung around the corner, of Grand of attention at the present time and River avenue on to Gris Jodd street the more thought given it the more and struck against a city car when the converts are made for road roads. the more thought given it the more and struck against a city car that converts are made for good roads. The sent ment is growing at such in the opposite direction. His arm a rapid rate that in many sections of the country counties are vicing that suffered and that was broken with each other in an element in the country counties. so that he could not take fares s

Everybody out pleased to know that his brogue escaped injury and that his vocal chords still enable him to spring those hoary old jokes that he has carried about for the last 30 or
