"I'm having wonderful success with my ELECTROCHEF* electric range"

"I BAKED A CAKE that was the NICEST I EVER MADE"

"Baking with my Electrochef is a wonderful experience. It's so delightfully simple, and there's no guesswork. The automatic oven makes baking easy. The very first cake I baked in my Electrochef turned out perfectly. It was light and fine-grained; and tempting—one of the nicest I've ever made. Electric cooking is certainly marvelous. Now I can be sure of consistent baking results every time, without fail. I'm glad I discovered electric cooking with the Electrochef electric range."

*A study of one thousand families using the ELECTROCHEF electric range showed a cooking cost of less than one cent a meal a person.

ELECTROCHEF'S CASH PRICE IS \$105 INSTALLED
including all necessary wiring, \$10 down, \$6 a month; small carrying charge. Sales under these conditions to Detroit Edison customers only.
