SAFETY! before and after

This week exert extra effort to avoid accidents. But at the same time prepare yourself to avoid the serious consequences of accidents that happen anyway.

Replenish your home supply of absorbent cotton, sterilized gauze and adhesive plaster. Moreover, insist on the Firstaid Brand.

Shatter-proof Glass Windshield Without Extra Cost

All of the new Fords are equipped with Triplex shatter-proof glass windshields. This is a safety feature of the utmost importance because it reduces the dangers of flying glass. It has saved many lives and prevented many serious injuries in collisions.

This shatter-proof glass windshield is included without extra cost. It is just one of many exclusive features that make the new Ford a really fine car at an unusually low cost. Call or telephone for a demonstration.

Northwestern A. C. Has Banquet And Program

An enjoyable time was had by those present at an open meeting of Northwestern A. C. at the Oddfellows Hall, Monday evening.

Singing was followed by an entertainment. Feature acts were put on by various members of two downtown athletic clubs. Music was furnished by members of Northwestern A. C. Tap dancing was done by a member. Solos were sung by Ed. Christianson, and a few numbers by the quartet all of the N. A. C.

Banquet was served, during which short talks were given by President C. Kime and Vice-president G. Livingston.

Eighty-six were present at the affair.

The members of the Club are making plans for a club house, and expect to be in their new home in the near future, the increase of membership making this move necessary. The boys plan to eventually have a gymnasium and all equipment to make this club a credit to the community. A special drive for new members is also being planned by the membership committee.

A basketball dance will be given by the Club April 9th at the Oddfellows hall, Grand River and Eight Mile road. All are invited to attend.

Born to Mr. and Mrs. William Tamm of 11-Mile road, a 9 pound daughter, Florence Marie, March 13th.
