

## MICHIGAN BELL TELEPHONE CO.

*They ordered  
an Extension Telephone  
the next day*

Another social tragedy took place when the Weems' had dinner guests the other night. Mr. Weems, whose dark suit was at the cleaner's, made a desperate effort to get at the only telephone in the house.

And, of course, Rollo, the vigilant poodle, at once

spotted him in the act! Mr. Weems ordered an extension telephone for the bedroom next day. It costs him less than 3 cents a day.

To order an extension telephone, just call the Telephone Business Office.

"Now I can go shopping or play bridge while dinner is cooking in my ELECTROCHEF electric range"

\*A study of one thousand families using the ELECTROCHEF electric range showed a cooking cost of less than one cent a meal a person.

If desired, the automatic clock is available with all models of the ELECTROCHEF. The price of the clock is \$10 additional.

"One of the best things about my new ELECTROCHEF electric range is the automatic timer clock that my husband bought recently. It gives me added hours of freedom and enjoyment! Now I can have the whole afternoon to myself—for shopping or the theatre or playing bridge—and have a delicious hot supper ready for my family exactly on time."

"I simply put the meat in the oven before I leave, and set the clock for the correct cooking time. Then I forget all about it. The clock turns the oven on and off automatically, and at six o'clock the meal is waiting—perfectly cooked and ready for the table!"
