FORD RELIABILITY

Long, hard use shows the value of good materials and simplicity of design

EVERYWHERE you go you hear reports of the good performance and reliability of the Ford.

One owner writes—"The Ford Tudor Sedan I am driving has covered 59,300 miles through all kinds of weather. It is still giving perfect satisfaction."

Another owner describes a trip of 3217 miles in 95 hours, over bad roads and through heavy rain and sleet in the mountains. "Throughout the entire trip," he writes, "the Ford performed excellently and no mechanical trouble of any kind was experienced. The shatter-proof glass undoubtedly saved us from serious injury when a prairie chicken struck the windshield while we were traveling at 65 miles an hour."

See the nearest dealer and have him give you a demonstration ride in the Ford. Then, from your own personal experience, you will know that it brings you everything you want or need in a motor car at an unusually low price.

LOW FORD PRICES
\$430 to \$630

(F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. You can buy a Ford for a small down payment, on economical monthly terms, through the authorized Ford Finance Plans of the Universal Credit Company.)

FARMINGTON DEFEATED

Farmington lost the first baseball game of the season Friday, when they were defeated by St. Mary's of Orchard Lake, 20-2.

The game was featured by the absence of four regulars: Taggart, Messell, Cox and Nicholson, and also by the seven errors made by Farmington.

The main reason for poor showing was the lack of experience of most of the players.

The battery was Feudt and Westfall, pitchers, and Cairns and Reynolds, catchers.

Feudt was the main cog in the Farmington offense getting three hits in as many times at bat.

The game dedicated St. Mary's new baseball diamond.

Skipping

Skipping is a problem which faces every teacher. It is usually done by pupils who are only attending school, either so they won't have to work or because they are forced to attend and take no interest in their own welfare. Skipping only deters the discipline of the school, puts the student behind in his studies, and makes the teachers' job doubly hard. Teachers are provided by the taxpayers so that children may have the education, yet many take advantage of this wonderful opportunity by deliberately skipping. These "skippers" are always behind and hold students who really want to gain an education back. Therefore we urge those who have been making skipping a popular pastime to refrain from doing so in the future, out of respect for their teachers and other pupils.

It will take place in the Community Hall Thursday, April 23, at 8 o'clock. They are under the supervision of Mrs. Loomis and Mr. Eaton.

Every one is invited and the admission is free.

The girls' tennis squad has been cut to seven players by Coach Bisbee. The girls still remaining on the team are Gladys Krumm, Lucille Jacobs, June Johnson, Dwayne Murphy, Viola Lamb, Virginia Otis, and Roberta Russell.

F. H. S. CARNIVAL

The Carnival sponsored annu-

ally by the Student Council for the benefit of athletics, was held Thursday night, April 10 at the High School.

The ninth, tenth, eleventh and twelfth grades took over the responsibility of the booths and sideshow. These were very capably taken care of.

Representatives of the classes, having previously been selected played the final matches of ping pong. John Lapham was champion of the boys and June Johnson, of the girls.

The assembly program consisted of a play given by the French class, "Casey At The Bat" by the Hi-Y club, some songs by a group of high school boys, and a group of popular musical numbers by the Troubadours from the radio station WEXL at Royal Oak.

Virginia Otis and Johnny Lapham were selected queen and king by a vote of the towns people. These were dressed in royal robes and crowned by Francis Drake president of the Student Council. Dancing followed.

This edition is the second published by the Sophomores. However, many of us have spent harrowing hours searching for material and feel proud to have the privilege of editing the school's paper.

PERSONALS

Gone are the Days of Gloomy Dignity!

Gone are the times when people painted their faces dark so as not to show the dirt! Today's happier, cleaner style says "color in the home—gay, sunny color!"

So easy! So inexpensive! Once you discover HOW easy, HOW inexpensive, you'll make home smile with cheery color in every room.

Such colors to choose from in WATERSPAR Varnish and Enamels! Soft, pastel shades, delicate hues! Rich, entrancing tones! Gorgeous, brilliant, stunning colors! Never before did women have such a palette of ready-to-use beauty, and best of all, the fuss and muss of re-freshing is gone because of the fast-drying of WaterSpar Varnish and Enamels.

Forget Price-Per-Gallon When You Buy Paint!

Forget it because cheap-price-per-gallon paint is expensive paint! You can pay over a dollar less per gallon for it, but because of its short covering capacity it saves only \$4 total on the initial cost of painting the average house. And in five years it costs \$283 more than as if you had used quality paint such as PATON'S SUN-PROOF PAINT in the first place.

This Store is Headquarters for paints, varnish, enamels and brushes and features the Pittsburgh Proof Products line—famous for 75 years as products of the finest quality at reasonable prices.

Remember this About the Master Painter

The Master Painter isn't just a handy man. He is a highly skilled, responsible craftsman with the knowledge and experience to solve special problems in painting and decorating. Your investment in a good painter will be profitable.

Better Work With a Horseshoe Brush

Don't try to do a good paint or varnish job with a poor brush. It can't be done. If it is a HORSESHOE Brand brush, it will help you do the best possible job.
