Walled Lake Graduate Honor Student At M.S.C.

East Lansing, Mich. — Miss Myra Essick, graduate of Walled Lake H. S. class of 1927, and a junior home economics student at Michigan State College, is among the 250 whose names appear on the honor roll here for spring term of 1931.

To gain this distinction she has maintained a scholastic average of 'B' or better for the last two terms, and in addition to this recent citation for scholarship she wins unlimited cut privileges for the remainder of the year. These "privileges" are granted only to juniors and seniors who have the necessary averages and leave the initiative of attending classes to the individual. They do not re- lieve the student from making up work missed by absences, how- ever.

The former Walled Lake stud- ent has gained high marks since her entrance here at Michigan State.

Mr. and Mrs. L. R. Pike were guests of Mr. and Mrs. Elmer Farrell Thursday. Mrs. Farrell entertained the Webster Club in the afternoon.

is just off the Farmington Road between FLEMING BOULEVARD and LINCOLN DRIVE in FLEMING'S ROSELAND PARK SUBDIVISION. The lots are from 40 to 60 feet wide and about 190 feet deep.

In 1927 similar lots in this subdivision were sold at prices ranging from \$1500 to \$2250 each. The owners have determined to close out their remaining lots (nearly 100) at exactly 25% of the original subdivision price list and to advertise this fact they have consented to sell the first ten at PUBLIC AUCTION as above set forth.

The lots are free and clear; the taxes are less than \$5.00 per year on each and they are among the finest lots in the subdivision.

Never was there a better time to buy Real Estate than RIGHT NOW and never before have buyers in this section had an opportunity to actually buy on terms and at their OWN PRICE.

Detailed information will be gladly furnished in advance.
