DEARBORN BEATS

FARMINGTON 4 TO 1

Farmington High lost their second league game Friday, losing to Dearborn by the score of 4-1.

Although defeated, F. H. S. gave the best exhibition of base ball they have shown this year. Only one error was committed by Farmington and that was on a wild throw to third.

Farmington was robbed of two runs in the third inning when they had runners on second and third and a wild throw to third.

Dearborn's star pitcher, Elmer Havestien, allowed only two hits, both of them singles, while Dearborn collected nine hits, one of them being a home run.

Friday F. H. S. plays Northville on the home field.

Believe It or Not

Mike Nicholson got 3rd place in the broad jump at the track meet Saturday.

The F. H. S. campus is crowded every day with students wearing bright and classy summer clothing.

Mr. Burns had his car towed away by the Police at Ann Arbor last Saturday.

The Farmington High golfers will enter the regional golf tournament this Saturday.

The Seniors do not leave lunch papers on the playground.

The Junior class collects papers on Saturday.

Jack Jyleen gets sunburned when he goes caddy.

The Seniors make frequent trips down to the Arthur Studios at Detroit.

George Middlewood comes to school quite often these days.

EDITORIAL

Most students of the High School do not realize the high standard of the school they are fortunate enough to attend.

The teachers are all first class and a high amount of college training is required before they are allowed to teach. There has never

been any serious trouble between students or between the teachers and students. They are all good sports and the result in school life is remarkably smooth.

A graduate may enter any college in Michigan without an entrance examination, if an academic course is taken. This alone proves that Farmington has an above-the-average school. A large majority of students participate in athletics. Almost every field of school sports is represented by many students who wish to boost the school by having a good team as well as for their own pleasure.

SENIOR NEWS

The Senior class has chosen different members of the class to write the Will, History, Poem, Giftoir, Prophecy, Grumbler, and Songs for Class Night.

They are:

Poet: Jack Jyleen

John Lapahah

Giftoirians: Edward Measell

Virginia Otis

Prophets: Alvin Nicholson

Don Ross

Grumbler: Joe Spetkowski

Class Song: Thelma Garlick

Class Will: Roberta Russell

GIRLS' TENNIS

The girls' tennis team defeated New Hudson last Thursday at New Hudson. Virginia Otis lost her singles match 6-4, 9-7, and 6-4. Viola Lamb played her first match of the season and took her opponent 6-1, 6-1. Viola Lamb and Roberta Russell won the match by taking the doubles 6-1 and 6-2.

At Royal Oak last Monday the girls tied the match. Roberta Russell won the singles match, 7-9 and 6-4. The doubles were played by Otis and Russell and lost 6-1 and 6-1. Virginia Otis won one set of her singles and lost one. Due to darkness it was impossible to play off the tie.

The girls have lost one game and won three so far this season.

GOLF

In a return match, which was held at the Meadowbrook Country Club the Northville team was able to hold the Tritons to a tie, 6-6.

Lapah played a steady game, taking all three points from his

opponent. K. Graham also played well to take 2½ points, while Gravin came back on the last nine for a half point.

Lapah was low man with a medal of 84.

TRACK

F. H. S. track team attended the annual regional track meet at Ypsilanti. Jyleen placed first in the javelin and Nicholson placed third in the broad jump. Jyleen will be the representative in the state finals held at East Lansing, June 6th.

STUDENT COUNCIL

PRESIDENT ELECTED

Levis Maas, succeeding Francis Drake, won by a large majority over the two other candidates, Jean Storms and Raymond Fend.

The election was somewhat calmer than that of last year; the students were not as enthusiastic as in preceding years.

Levis has had one year's experience in the council and has also held a class office every year in high school. He promises to be a person who will be capable of holding one of the highest offices in the school.

LOCALS

Enid Prew has been absent on account of illness.

Sophomore class visited The Detroit News Bldg. Tuesday of last week.

Virginia Louden has left school to go to Wisconsin where she will stay with her aunt.

Glady's Krumm's uncle was killed early Tuesday morning in an auto accident.

Mr. and Mrs. Dalrymple and Mr. and Mrs. Burns visited Reading, Sunday, May 17.

The Farmington Band played over station WEXL Saturday, May 9.

The trucks which are hauling cement on Grand River are making enough noise to wake up the dead.

Glady's Krumm's brother Gerald visited the school Monday.

Jokes

Joe (arrested for speeding)—“But, your Honor, I am only a high school boy.”

Judge—“Ignorance doesn't excuse anybody.”

Jack—“Will your people be surprised when you graduate?”

Don—“No, they've been expecting it for years.”

—THE PROPERTY—

is just off the Farmington Road between FLEMING BOULEVARD and LINCOLN DRIVE in FLEMING'S ROSELAND PARK SUBDIVISION. The lots are from 40 to 60 feet wide and about 190 feet deep.

In 1927 similar lots in this subdivision were sold at prices ranging from \$1500 to \$2250 each. The owners have determined to close out their remaining lots (nearly 100) at exactly 25% of the original subdivision price list and to advertise this fact they have consented to sell the first ten at PUBLIC AUCTION as above set forth.

The lots are free and clear; the taxes are less than \$5.00 per year on each and they are among the finest lots in the subdivision.

Never was there a better time to buy Real Estate than RIGHT NOW and never before have buyers in this section had an opportunity to actually buy on terms and at their OWN PRICE.

Detailed information will be gladly furnished in advance.

Write or call Mr Wolfe or F. D. Fleming at Farmington. Phone 168.

Proper Care of Auto
Makes It Last Longer

The life of an automobile depends upon the care given it by its owner. Olin Russell, local Ford dealer, says in urging car owners to look upon their cars as fine pieces of machinery.

“After all your car is a fine piece of machinery,” Mr. Russell said. “In the Ford, for instance, many parts are made with precision that would be considered by so accurate a craftsman as a watch-maker. With proper care and under ordinary conditions these parts will continue to function indefinitely without replacement or repair. If we depended upon profits from repairing Model A Fords, we would go broke.”

“For the proper servicing of Ford cars as well as repairs, we maintain a high standard in our service department. We have trained mechanics and the most complete and modern servicing facilities. Our advice to car owners is that they have their cars cared for by people who know what a car needs, and not take a chance.”
