ELECTROCHEF electric range

never overheats the kitchen

HAS YOUR KITCHEN STOVE THESE ELECTROCHEF FEATURES?

EXACT HEAT CONTROL
 An exact heat control eliminates gaswork and makes baking and roasting easy

THE FASTEST OVEN YOU EVER USED
 The ELECTROCHEF oven comes up to heat quickly. Minimum pre-heating is necessary

SEALED-IN FLAVOR
 ELECTROCHEF electric cooking seals in the natural flavors of meats and vegetables

"I enjoy using my ELECTROCHEF in summer—cooking with this modern range is surprisingly cool! Even baking and roasting do not overheat the kitchen. The semi-sealed oven and double air-space insulation keeps all the heat inside. I don't know of anything that adds more to kitchen comfort than my ELECTROCHEF—it's a stove any woman will appreciate. In warm weather especially, I'd hate to be without it!"

A study of one thousand families using the ELECTROCHEF electric range showed a cooking cost of less than one cent a meal a person.
