Still in the limelight are the hunters. This week's prize hunters are quite young—Bob, 16, and Greg, 15, sons of Mr. and Mrs. Harold Beaubien of 14 Mile.

It was the boys' first experience, part of a three-day trip to the upper part of the Lower Peninsula in White Cloud. Both Bob and Greg had a hand in bagging a deer.

Greg fired the first shot that wounded the deer and Bob continued with tracking and downing it. They were the only hunters in the party of four able to claim victory.

AN EXPERIENCE that Bob encountered while in the woods was leading a lost hunter to safety. The hunter was so confused and frightened he couldn't follow directions. So, Bob decided to lead him toward the road.

Proud of Bob and Greg was the entire party which included Uncle Carl Beaubien and grandfather Robert Beaubien, both of Orchard Lake, and their sisters and brothers.

MR. AND MRS. Arnold Nel-

son of Kensington, Md., came to visit their son and daughter-in-law, Mr. and Mrs. Woodie Nelson, and three children, Janet, Laurie and Karen. The Woodie Nelson family is new to the Farmington area, moving here last summer after a four-year stay in Japan. Woodie is with the Air Force, associated with the ROTC at the University of Detroit. The family resides on Hawberry.

His parents were here in time to celebrate Janet's 10th birthday and also to spend Parents' Weekend at the University of Michigan with their daughter, Margaret. Another daughter, Francis, is working in Ann Arbor, so it was a busy week for them before they departed for their home.

ANOTHER BUSY area guest is Mrs. Beatrice Bulman, mother of Fred Bulman, of Old Homestead, arriving from St. Petersburg, Fla., she spent a week with her son, his wife, Grace, and their two children, Rick and Lynn. Then it was time to visit with her sister, Mrs. Libby Ojerman, in Royal Oak.

Her son, David, and his family, which includes five children, were honored with short visits and with a few days left of her stay before the heavy snows come, she had time to visit with the John Housmans of Pontiac.

Sex Ed Expert
Attends Meet
of Health Group

Dr. Jack Cleveland, director of adult education for Farmington schools, participated in the 9th annual meeting of the American Health Association in Cobo Hall on Nov. 11. He was a member of the symposium on School-Community Programs in Sex Education.

With Lawrence Freedman, Highmeadow School principal, Cleveland has been co-chairman of Farmington's sex education program for the past three years. Both men participate frequently in related programs across the state.

Origin of Name
Actually, the barber got his name from trimming beards, since "barba" is Latin for beard. When men began to get their hair cut instead of their beards, the barber shifted to this job without changing his name.

LAYAWAY NOW OR USE YOUR MICHIGAN BANKARD or SECURITY CHARGE

Could you keep up those "easy" monthly payments if your pay stopped?

What would happen to you and your family if suddenly your regular pay check was cut off because of a serious accident or an illness? You, like most families, are probably making payments on your house, your car and other things that bring you a comfortable and enjoyable life. Without your regular income could you continue these payments or would there be a severe adjustment in your living standards?

Manufacturers Life can't guarantee that you'll always be able to work. Nobody can. What we can guarantee is that if you are laid-up with an illness or an accident you'll still receive a regular pay check. Month after month. Year after year.

Call the Man from Manufacturers. He'll be glad to help you with a plan tailored to your needs. A plan with a guarantee that the protection can be renewed to age 65 and which in the interval cannot be changed or cancelled by the Company, regardless of what happens to your health. The cost is reasonable; and with your family's financial security at stake you just can't afford to be without it.
