Currying Favor

The expression "giving a sop to Cerberus" carries the idea of giving a bribe or gift to quiet a troublesome customer. Cerberus, in Greek mythology, was the three-headed dog that guarded the entrance to the infernal regions. When a person died a cake was put in his hand as a sop to Cerberus, in order that the dog would let him pass without molestation.

Chinese Amusement

A tangram is a Chinese toy made by cutting a square of thin material into seven pieces, these pieces being capable of forming in different combinations a great number of different figures.
