

"IT'S JUST LIKE USING CITY GAS"

"O H, hello Mary!
 . . . yes indeed, I use Philgas and you have no idea what a joy it is—so clean and fast . . . It's so easy to cook with gas, too. The oven heat control on my new range takes all the guess work out of baking, and I can leave the kitchen for hours while a whole meal cooks . . . no bother at all about the fuel, . . . it's just like using city gas . . . I certainly can recommend Philgas because it has been so satisfactory in every way . . .

One of those pretty ranges will do wonders for the appearance of your kitchen . . . the Dealer?
 . . . oh, yes, here's his name and address . . . Glad to do it . . . See you soon, Mary. Goodbye!"
