METHODIST CHURCH IS REOPENED WITH FITTING PROGRAM

Many Improvements Made In Walled Lake Church, Rev. Ede Arranges Program

The Walled Lake Methodist church was formally re-opened Sunday with an appropriate program after having been closed for extensive repairs and improvements. The program was planned by Rev. Bert Ede, pastor of the church.

Through the liberal donations of time and materials of choir members, church members, friends of the church and the choir organization, the church has a new choir loft, a new rostrum, and a fine oak floor throughout the church auditorium. It also has a new cut stone entrance which greatly improves the exterior of the building.

The building program reaches back into last year when the basement was remodeled. A new convenient kitchen and a much larger dining room was made. Folding door partitions were built which divided the dining room into three class rooms. A new heating plant was also installed at that time.

The church membership has increased and also the Sunday school attendance from an average of nearly one hundred. The Ladies Aid Society has known financial success and a splendid co-operation. The inspiring anthems by the choir has added greatly to the church services, it is felt. Various classes of the Sunday school have contributed to the building fund, among them a class of young women known as the True Blue Class, which has been especially active.

During the afternoon program a bouquet was presented to Mrs. Adolf Halmhuber, wife of the Superintendent of the Ann Arbor District and one to Mrs. E. V. Mercer who through illness, was unable to attend the services.

COMMERCE WOMEN WILL STAGE THREE ACT PLAY

Women of the Commerce M. E. church will give a three act play entitled, "And Mary Did," Saturday December 5 at 8 o'clock. The cast of characters includes Isobel Stone, Kathleen Lovell, Mrs. D. Roselle, Elmer Cooper, Malcolm Covart, Mrs. H. Atkins, Mrs. J. Lang, Louise Gardner, Frank Roselle, Mrs. G. Yerington and Hazel Atkins.

WALLED LAKE COUPLES OBSERVE ANNIVERSARIES
