The Democrats will offer a full ticket with the exception of a candidate for treasurer, no Democrat having filed a petition for nomination.

Three Republicans seek the nomination for supervisor. They are George Bingham, incumbent, Joseph E. McClelland and Dean S. Saxton. Charles Bilkovsky, the Democrat nominee last year, and August A. Miller, who was also a candidate, seek the nomination this year.

**Clerk Seeks Re-election**

Ona M. Uteley, Township clerk, the only Democrat to win an office last year, is announced in her party but two Republicans are candidates for the nomination for clerk. They are Arthur B. Baynes, former treasurer, and Charles C. Collins, who received the nomination for treasurer last year by two votes in a recount and then lost to the incumbent, Fannie Adams, who ran in the election on a sticker.

Unless unforeseen developments occur Mrs. Adams will be returned to the treasurer's office for another year. No Democrat filed for the nomination and she is unopposed in her party.

**Township Clerk Allows Late Nominating Petition**

(Continued from page one)

tion was blank when he left it Friday afternoon, just before filing time expired, but said he assumed Mr. Campbell would do the filling in on that one too.

"Mr. Campbell says that he could not do so, because Mr. Roberts has not told him what office or party to write in, and further, that it did not as clerk have any authority to alter any petition after it was filed with him, even had he known what office and party Mr. Roberts wanted written in."

After a long discussion, the Board decided to refer the matter to its attorney, Mr. Lynch. All the Board agreed that Mr. Wendland should have an opportunity to fill in his petition then and there, and if should be found possible, the petition be allowed as properly filed.

Justice of the Peace Willis T. Roberts went to Pontiac Wednesday afternoon and told Mr. Lynch the facts. On Thursday morning Mr. Lynch handed Mr. Roberts a written opinion, reviewing the law on the question.

The first thing disconcerting was that a year ago in regard to interpretation of the law on an election matter. The opinion was given then that Sunday should not be counted as "a day" in computing the time limit. For this reason, the Township Board last month, in designating the last day for filing petitions, excluded Sundays and named last Friday as the final day. Mr. Lynch on Thursday said that Sundays should be counted, and that Friday was thus too early, under the State law.

The misunderstanding apparently arose because the ruling last year was in regard to registration, he said, and since it is impossible to register on a Sunday, the Sabbath is not counted in that respect. Otherwise it is, according to Mr. Lynch.

Now came the real problem. Mr. Roberts had completed Mr. Wendland's petition while the Board was in session Tuesday evening and had handed it in about nine o'clock Tuesday was the twentieth day, before the primary, which is on March 7. Was it in time, or was it not, under the law which says: "not less than 20 days?"

**Or "Before"**

The law holds Mr. Lynch says that what a thing is to be done ON a certain number of days before a certain date, then the day on which it is to be done is included—in other words, if the filing was to be done on the twentieth day before the primary, then all filings would have to be done on Tuesday. When, however, the number of days BEFORE a certain date, then the date of the act is excluded.

Mr. Lynch sums up: "I am compelled to believe, as I have stated, that under the law of Chadcock v. Barry the filing of this petition on the 16th was not in compliance with the law providing the filing as twenty days before the designated time. . . . If the 16th were to be counted, then the filing any time on the 16th would be valid. . . . If the petition were filed, say five minutes before midnight on the 16th, it would hardly be reasonable to say that the petition was filed at least twenty full days before the date of holding of the caucus."

Mr. Lynch, however, wrote a concluding paragraph, which Mr. Campbell interprets as meaning that he can, if he wishes, recognize the petition. It says: "I am, of course, passing only on the questions of law. The question of expediency, whether or not the stern provisions of the law should be set aside in the interests of fair play, as some might term it, are questions that are not for me to decide, and so far as these matters are concerned they are matters for the consideration of the individuals directly interested and the Township Board."

As a result of Mr. Campbell's decision, the candidates for clerk this will be Mr. Campbell, Mrs. Ina Sturman and Mr. Wendland.

**REV. EDE SAYS "GOD CAN GIVE POISE FOR THESE TIMES"**

Walled Lake Minister Tells Of New Cults Sought By Business Men

"God can give to men a poise with which to meet this challenging age," Rev. Bert Ede of Walled Lake Methodist Church told members of Farmington Exchange Club at their meeting Wednesday noon.

Men everywhere, and particularly business-men suffering effects of adverse conditions, are questioning religion and the value of faith, Rev. Ede said. He told of the astonishing influence achieved by spiritualists and astrologists in New York, particularly by one woman who has numbered among her clientele some of the leading financiers and business-men in New York.

Rev. Ede, though characterizing as "incredible" the fact that supposedly highly intelligent business leaders should consider consulting such "seers" before taking important steps, said that the business-men are not to be blamed for turning to new "prophets" in these times. He expressed the conviction, however, that God is the one certain source of hope for those in trouble.

**SALE WAS SUCCESS**
