Your Child Needs This Extra Care

The surest way to build up any child's resistance to colds and flu is to see that he gets plenty of vitamins D and A.

All good cod liver oils contain some of these vitamins. The oil which contains the richest supply of them comes from one spot in cold Arctic regions. That is the oil you get in Puretest. It is the cream of the Lofoten, Norway, catch.

Puretest Cod Liver Oil is sold at Rexall Drug Stores exclusively.
