"Dorothy saw
how my new range changed
my kitchen . . .

She could hardly wait
to get one of her own!"

...IT'S AN ELECTROCHEF

"Dorothy's not usually enthusiastic about things—but she couldn't help admiring my new Electrochef electric range. She declared it made my kitchen look like new—and it does! Everyone who's seen it comments on its striking appearance and unusual design. But the range is more than simply attractive. Its spottish-white porcelain and sparkling chromeplate make it so much easier to have a really clean stove. Every corner inside and out is rounded, and there are no cracks or crevices to collect dirt. Besides 'making over' my kitchen, my Electrochef brings absolute cooking cleanliness. Imagine a stove that supplies only PURE HEAT from a glowing wire! No smoke or soot to blacken my utensils and soil kitchen walls and curtains. No wonder Dorothy is installing an Electrochef in HER kitchen."

BUDGET \$10 FIRST PAYMENT PLAN Installed, ready to cook. Balance small monthly payments. Sales under these conditions to Detroit Edison customers only.
