## THE MOST Beautiful REFRIGERATOR IN THE WORLD

# TIME-TESTED

When electric refrigeration for home use was first introduced, dozens of manufacturers rushed pell-mell into production. Gibson didn't. It has spent years in careful research and development. Mowburn refrigeration is the result of this work, and back of it is the practical knowledge gained in Gibson's half century of refrigerator building.

beauty and efficiency. The Mowburn requires but half the space—weighs approximately half as much as ordinary units. Eliminates waste space, gives greater food storage room and permits construction of a cabinet that is graceful and well-proportioned.

See the Gibson Electric! It's years ahead. A glance will tell you... a demonstration convince you. And it costs no more.

Mowburn refrigeration is an exclusive Gibson development. It has made possible an entirely new conception of
