## TIRES

### AT TAX FREE PRICES

Buy Now—Save 10 to 15%

Here's Why We Can Do It—

Although the Federal tax went into effect Tuesday, the law permits us to sell all tires we had in stock at the time without collecting the excise. Anticipating the tax, we put in a big stock in a wide range of sizes, and now we pass the benefit on to you. If you did not fill your year's tire needs, come in at once and get them. Don't delay—when our present stock is gone, there won't be any more at the present prices.

(Note: Some makes have already been raised in price. Firestones have NOT).
