8:00—Evening service.

Jiu-Jitsu's Origin

The origin of Jiu-Jitsu is uncertain. It is attributed by some to a Japanese physician who learned the rudiments of the art in China. Others claim that it was in common use in Japan centuries before this time. Most are agreed that Jiu-Jitsu originated in China, but that the Japanese have modified it greatly.

Unheard Words

Because of imperfect acoustics in rooms and halls, it was found in test that the average adult fails to grasp one word of every twelve that are spoken.

Annual Report

PIERSON SCHOOL DISTRICT

No. 2, Livonia Township

The annual meeting of School District Number Two, Livonia Township was held Monday, July 11, in the school house at 8 o'clock. The polls were open from 8 to 10 p. m. for the election of one trustee.

As no petitions were filed, blank ballots were used and the names written in by the voters.

Total ballots cast were 38, of which Jesse Zeigler received 29. The remaining votes were scattered. Jesse Zeigler was declared elected a trustee.

The financial report was read and the motion to accept the report, made by M. E. Ault and supported by Mrs. Anna Addis, carried and the report was accepted as read.

A motion was made by Dr. B. C. Thomas and supported by William Zwahlen that the School District pay tuition for students of high school age, not to exceed \$80.00. The motion carried.

Meeting adjourned.

JOHN HARLAN, Secretary

URGENT, MR. WEATHERMAN!

What's Today's

Tempidity?

When the thermometer shows only 80 degrees and the day is collaring and energy-sapping, don't blame the heat. What causes all the discomfort is TEMPIDITY... temperature plus the humidity. And now there is an easy way to enjoy delightfully cooled and dehumidified air—in your store, your office, or a single room of your home. Comfort cooling has been proved to be a profitable investment that no business man can overlook.

Equipment is available in two types: one in which ice is used for cooling and the other in which the cooling is done mechanically. Room coolers of cabinet size may be placed anywhere in the room. (A cooling unit of the ice-cabinet type is shown below.) The equipment refrigerates the air, removes the excess moisture, and makes the atmosphere cool and comfortable. Detroit Edison engineers will gladly give you information regarding different types of cooling equipment available for your store, office, or home, their method of operation, and some idea of cost. We do not sell nor rent this equipment, but there is no obligation on your part. Simply call the nearest Detroit Edison office.

THE DETROIT EDISON CO.

VACATION DAYS
