W. B. ROSEVEAR, JR. SHAPES PLATFORM

Congressional Candidate Advocates Prohibition Repeal, Early Bonus Problem Settlement

William B. Rosevear, Jr. of Birmingham is an active candidate and is well known throughout the new 17th congressional district. His home is in the center of the district, consisting of Oakland county; Detroit west of Meyers Road; Livonia, Plymouth and Northville townships. Col. Rosevear was born in Saginaw, Michigan and attended public schools. Upon graduation from high school, he was appointed by Hon. Joseph W. Fordney to West Point and graduated in 1913. He served in the world war and was subsequently commissioned Colonel, Officers Reserve Corps at the age of 32, which commission he still holds. Before and since the war he has been engaged in the same line of business and is well acquainted with agricultural problems through experience in the beet sugar industry.

He favors repeal of the 18th amendment and the regulated sale of beer, wine and liquor. He stands for early and final settlement of all points of veterans' compensation so we can forget the war and proceed together for the common good. He has supplied all voters with full information and a complete, constructive program, with special emphasis upon economy and efficiency in government which can only be accomplished by elimination of numerous essential activities that clog government machinery and create burdensome taxes. He advocates restriction of government to necessary activities so it can do a good job of these, such as national defense, the banking and currency system; underlying social problems; safeguards against depression and unemployment, likewise against inflation; prevention of trade discriminations, abuses by monopolies or manipulators or any other form of oppression of a free people and generally as stated in the constitution, "the congress shall have power to provide for the common defense and general welfare of the United States."

GREENAN PLEDGES CLEAN, EFFICIENT ADMINISTRATION

In a newspaper interview with Frank G. Grennan, present undersheriff and candidate for sheriff, on the Republican Ticket he stated, "Oakland County has enjoyed, during the last few years, a wonderfully clean administration of the Sheriff's Office. No scandal or suspicion has ever arisen during the incumbency of James S. Butler and Frank Schram, the last two sheriffs. If elected sheriff, I pledge myself to the citizens and taxpayers of Oakland County, a continuance of the same clean, honest and efficient administration of the Sheriff's Office, as you have had under those two men."

Mr. Grennan's friends feel that he has well earned promotion to the job which he is seeking and point with pride to his record as a fearless, energetic and trustworthy public servant. He has expressed his desire, if elected to cooperate with the Board of Supervisors with the idea of operating this important office with as great economy as possible in keeping with the needs of the present financial condition of the country. Mr. Grennan was born in Waterford Township, Oakland County in 1884, was educated in the local public schools and has spent his entire life in Oakland County. In 1917 he was appointed a deputy sheriff under O. H. P. Green and has been actively connected with the Sheriff's Office since that time. Mr. Grennan resides in Pontiac and is a member of the Pontiac Lodge of Elks, Knights of Columbus, Lions Club and the local Republican organizations.

Earliest Slide Rule

The slide rule developed after the invention of logarithms in 1614 by John Napier. In 1620 Edmund Gunter plotted logarithms on a two-foot straight line. The first known slide rule in which the slide was of two parts of a steel strip was made by Robert Bissaker in 1624.

J. Lee Voorhees Stresses Importance Of Economy

When Mr. Voorhees announced his candidacy for county coroner on the Republican ticket, he made this statement that is worthy of repetition:

"The imperative need now is for economy in government," he said. "The office calls for the exercise of judgement and a fair knowledge of law, for honorable service, economically rendered."

"My experience in this office will be helpful in carrying out this policy if I am re-elected," he concluded.

Mr. Voorhees was born November 24, 1898, son of Mr. and Mrs. Jesse H. Voorhees of Lake Orion Township. For the past 15 years he has been in the undertaking business.

He is a member of the Elks, Masonic, I. O. O. F. and K. of P. Lodges, Cook-Nelson Post of the American Legion, J. P. Board of Commerce and Rotary Club.

Mr. and Mrs. Voorhees with their two children live at 268 N. Perry Street, Pontiac.

Schulte Is Republican Candidate For Congress

John J. Schulte, Republican Candidate for Congress, 17th District, says:

"I believe in the strict enforcement of all laws on the statute books; in pushing vigorously to conclusion the Great Lakes Waterway project as a link to the Atlantic; that taxes should be kept, by judicious economy, to the lowest level commensurate with the growth of the United States.

I strongly favor the immediate cash payment in full of the Soldier's Bonus certificates."

In regard to the Eighteenth Amendment, Judge Schulte says, "I think that the present law has brought corruption, bribery and many other manifold crimes in its wake; that it has generally brought disrespect for all laws; that State control, in some form, should be substituted therefore; that the 18th Amendment should be repealed, and the Volstead Act modified pending repeal."

Judge Schulte endorses the prosperity loan by the government, to provide work for the unemployed, which will restore the purchasing power of the masses, so reviving employment through orders to factories and sale of raw materials by farms and mines.

He is opposed to any future moratorium and saddling Europe's war debts on the American taxpayers by foreign nations and the International Bankers.

Judge Schulte is of the City of Farmington, Oakland County, and is a taxpayer. He is a graduate of Central High School and the University of Detroit Law School. He is the municipal judge for the City of Farmington and the president of the Oakland County Citizens' League. Judge Schulte is an attorney-at-law, being a member of the firm of Schulte and Paré, of Farmington.

Miss Brondige Points To Experience As Register

MABEL L. BRONDIGE, Republican Candidate for Re-election for Register of Deeds of Oakland County, Pontiac, says:

"It is quite essential that the Register of Deeds have a thorough knowledge of legal papers, recording laws and descriptions; otherwise many papers would be recorded which were not properly executed. My education and experience along these lines has enabled me to save the taxpayers of the county thousands of dollars. By working with the employees in this office instead of depending on them to do all the actual work, as would be necessary with an inexperienced Register, I have also been able to effect a substantial saving to Oakland County. If re-elected this policy will be continued."

Miss Brondige was born in Rose Township, the daughter of the late George F. Brondige. She lived several years in Holly and has since made her home in Pontiac. Miss Brondige had 20 years experience in the Register of Deeds office as Clerk, Deputy and Register.

William B. Rosevear, Jr.

Republican Candidate For Congress 17th District

CAMRADES: Col. Bill Rosevear, with 23 years military service, active and reserve, needs no introduction to veterans. He has been a constant worker for national defense. We have the actual facts and it is a matter of record that he has done some very effective work for early and final settlement of the adjusted service certificates and other points of war compensation, along sound lines liberal to veterans and helpful to the nation. He has the ability to carry this on. Formerly in Beaudry Post, he has been a member of Chas. Edwards Post, Birmingham, for several years. CONSIDER the candidates from the standpoint of age, experience, ability and other IMPORTANT FACTS.
