Recommendation

LETTERS TO THE EDITOR

To my many friends I wish to recommend George T. Cartwright, candidate for Representative in Congress on the Republican Ticket in the 7th Congressional District. He has been in active practise of the law for sixteen years in Detroit having his office in the Transportation Building in Detroit, Michigan.

Mr. Cartwright resides at 14312 Mettetal Avenue, Detroit, with his wife and three boys. He has always been active in community and civic affairs and from his efforts and accomplishments through these channels of service he has gained a host of friends who are advocating his candidacy.

He is firm in his convictions on the adoption of the St. Lawrence waterway project and believes that its importance to the future prosperity of the western and mid-western states is of such national concern that sectional politics should not hinder its success.

He intends to sponsor legislation which will bring about a uniform labor law providing for five and one-half working days a week of six hours each and at the same time adopting legislation on unemployment insurance for which both employer and employee shall pay. Mr. Cartwright maintains that the future stability of the country depends largely on reducing the super abundance of labor caused by the advancement of scientific and mechanical methods and contends that there is no other method available to accomplish this result.

He contemplates a sane method of regulating the manufacture and sale of intoxicating liquors so that racketeering and exploitation of a legitimate business will not be tolerated. W. W. SLOCUM

Harry J. Merritt Candidate For Circuit Court Commissioner Republican Ticket

Primary Sept. 13 (Two to be elected. One of your votes will be appreciated.)

During the time that I have been a Circuit Court Commissioner of Oakland County there have been before me respondents in approximately 1,700 rent cases. The law would require that any of these 1,700 people who had to be forcibly removed from the property be set on the street.

However, through the co-operation of the local press and the deputies, we have been able to supply houses, rent-free, in all except less than six cases; and two of these parties declined to accept houses we had procured for them.

I submit that this record is without a parallel anywhere in the country, especially during these trying times.

If my conduct of this office merits your support, then I desire your vote. My only justification for holding public office is to make the burden lighter for those who elected me.

I have conducted this office impartially and will continue to do so if re-elected.
