### Homemade Chocolates 79c 2 1/2 lbs

Dear Editor:

I know that many who haven't cans enough to do as much canning as they would like. Yet there are always, every year, fields of green tomatoes going to waste. These beauties can be frozen and wrapped each in a piece of newspaper and put in any basket in a cool dark cellar and they will ripen slowly.

I had the last of mine the Sunday after the 15th, thinking when tomatoes were 15c a pound.

I am going to try some cucumbers this year, the same way, and have been told that they keep as well.

I hope this will help many a needy family this winter.

I am,  
Your Neighbor and Friend.

## A Helpful Hint

Dear Editor:

May I say a word to those who have thrifty gardens?

I know that many who haven't cans enough to do as much canning as they would like. Yet there are always, every year, fields of green tomatoes going to waste. These beauties can be frozen and wrapped each in a piece of newspaper and put in any basket in a cool dark cellar and they will ripen slowly.

I had the last of mine the Sunday after the 15th, thinking when tomatoes were 15c a pound.

I am going to try some cucumbers this year, the same way, and have been told that they keep as well.

I hope this will help many a needy family this winter.

I am,  
Your Neighbor and Friend.
