Mrs. Ira Carnes entertained the ladies of the Civic Club and their friends at a sewing meeting on Tuesday. Old clothes that have been given for the needy were made over and repaired. Some Red Cross sewing also was done. People of the community who have old clothing or unperishable food stuffs for the less fortunate people are requested to leave them at H. C. Roach's office.

The Civic Club's exhibit of Michigan products at the school fair proved to be very successful from a financial standpoint and in getting to the public the idea of buying home grown and canned products. The manufacturers responded wonderfully well and sent large quantities of their products. Most of these were sold and the proceeds put in the club treasury. The remaining items will be either sold at a later date or put into the Christmas baskets.

The extension sewing class met at the home of Mrs. Henry Moss on Tuesday and a lesson on renovating and making over old clothing was given by the leaders, Mrs. Harry Avey and Mrs. Walter Proctor. The next meeting at the home of Mrs. H. C. Roach will be on making accessories, which will include pocketbooks and scarfs. Twelve members were present.

Officers elected at this meeting are: Mrs. Henry Moss, chairman, and Mrs. Ralph Francis, secretary and treasurer.

MICHIGAN BELL TELEPHONE CO.

It's easy to be forgotten if you have no telephone

When friends plan parties and other good times, often "on the spur of the moment", they usually turn to the telephone to invite the "crowd". For telephoning is the easiest and quickest way. As a result, those without telephones miss many good times.

A telephone costs surprisingly little... only a few cents a day. It helps in finding employment. It is a social and business aid. And it is PRICELESS PROTECTION IN EMERGENCIES, enabling you to summon doctor, firemen, or police instantly, day or night.

Just one telephone call in an emergency may be worth more than the cost of the service for a lifetime.
