Season

Farmington High
School, playing its last football game of the
the 1932 season against Northville
here last Friday, won its first victory 12 to 9. Farmington scored
its first touchdown on the first
few, plays, Hamilton and Spaller
driving drown the fileld, with Spaller going over for the score.

Northville blocked a Farmington
punt in the second period for
a safety, and a Farmington
threat in the same period was
stopped when Spaller fumbled as
as he went over the goal line,
Northville recovering. A pass,
Spaller to Catherman, won the
game for Farmington after Northville had scored a touchdown and
kicked the extra point in the last
period to go ahead. Kelly, Westphal and Lockbridge played well
in the line for Farmington.

Letter winners will be announced next week.
