NUAL FARM FIRE LOSS EQUALS 40,000 HOMES

Commenting on the report of the authors Fire Waste Council that all annual issues to farmers from fire found build 40,000 homes of a value of 12,500 each, a recent issue of the Prairie du Spc. Wiss. News points out the value of the telephone on the farm in case of fire as a means of summoning aid quickly and saving buildings and live stock.
