Trailer Park Getting Sewer

FARMINGTON Orchard Hills Trailer Park has received permission to connect into the Springbrook sanitary sewer.

Farmington Township Supervisor Earl Topples met Wednesday in the township hall with Oakland County Health Department officials and reported approval has been given for the tap-in.

THE PARK'S operator applied for and received approval from the Michigan Health Department, and the only remaining move is for the owner to contract for the sewer.

Failure of septic systems serving the trailer park had resulted in some health problems in the area east and south of the park at Orchard Lake Rd. near 11 Mile, said Topples.
