NATIONAL UNCLAIMED FURNITURE does not sell used or abused merchandise. When a dealer places an order for furniture with a manufacturer he may find that he has a storage problem when delivered; or possible insufficient funds to handle the transaction. It is impossible to return the merchandise to the factory because of tremendous freight costs on truckload orders. The manufacturer then must look for an outlet such as NATIONAL UNCLAIMED FURNITURE to liquidate his order. That's why we can serve your future needs and do it at a reasonable cost without sacrificing quality. Unclaimed and brand new shipments just arrived.
