### QUALITY—and QUANTITY

We are anxious that our advertisement of last week, regarding the QUANTITY of Our Own Make Ice Cream we are selling, should not be misunderstood. We are proud of the quantity of business we have built up, but we don't sell quantity—it is QUALITY that counts most with us.

The QUALITY comes first—it always has and always will with us. The quantity sales have come because of our QUALITY policy.

### CRYSTALS

We can't gaze into crystals and guess your future, but we can and do fit new crystals in your watch and make your present more enjoyable. Few things cause more annoyance than breaking a crystal in your watch—and there's pleasure in getting a new one of the right kind quickly and at low cost—as you get them here.
