#### Former Resident Hurt At Work upon Farm

Reports have been received that Elmer Empson, former Farmington resident, now of Colon, Mich., will recover satisfactorily from recent injuries.

Mr. Empson was hurt while helping a neighbor with a binder on which a belt broke throwing him to a cement floor, it is reported. Relatives in this vicinity were at first informed that Mr. Empson's injuries were suffered in an automobile accident.

**GROUP MEETS SATURDAY**  
The Economic Discussion Group will be held Saturday evening at the residence of R.N. Crozman, Topic under discussion will be "Consumer's Cooperative Movements." Mr. Buckley from Mt. Clemens, will open the discussion. All are invited if interested.

#### INTEREST RATE ON FARM LOANS CUT THE SECOND TIME

Fred J. Beckman, secretary-treasurer of the Pontiac Production Credit Association has received word from the Farm Credit Administration in Washington, that the interest rate on new loans from production credit associations has been reduced from 5 1/2 to 5 per cent.

According to Mr. Beckman the new 5 per cent interest rate becomes effective immediately on all new loans and advances made by the association and will be applicable until further notice.

"The new interest rate of 5 per cent will not affect loans already advanced in full," Mr. Beckman said. "These will continue to bear the rate of interest prevailing at the time the loan was closed. The interest charge and loans from the association are collected when the loans mature. The Pontiac association is now making loans on acceptable crop and chattel security to farmers in Oakland, Macomb and Livingston counties.

"The reduction of the interest to 5 per cent on new loans," Mr. Beckman continued, "is made possible by a recent sale of Federal Intermediate credit bank debentures to investors at an unusually low rate of interest. The association gets money to lend farmers from the Federal Intermediate Credit Bank of St. Paul, Minn."

"The lowering of the interest rate on new loans to 5 per cent is the second reduction in two months, the rate having been reduced from 6 to 5 1/2 per cent on March 16.

About \$25,000 in production loans and approvals has already been granted through the County association and the volume of loans is expected to increase as season advances.

#### Drum and Bugle Corps Wins Much Approval

Among the expressions of thanks that have been sent out to those who aided in Farmington's Apple Blossom Day celebration, is a message to the Drum and Bugle Corps of Detroit Edison Post, No. 187, American Legion of Detroit. The corps was one of the outstanding entertainment features of the day. About 30 members comprised the outfit which marched and drilled up and down Grand River and Farmington Road. The first selection, of course, was "Mademoiselle from Armentieres", played with pep and vigor.

Goodenough, Voorheis, Long & Ryan, Attorneys; Penobscot Building, Detroit, Michigan.

#### STATE OF MICHIGAN

In the Probate Court for the County of Oakland.  
In the Matter of the Estate of DAVID GRAY, Executor. No. 12,248.  
At a session of said court held at the Probate Office in the City of Pontiac, in said county, on the 24th day of May, 1934.  
Present: Honorable Dan A. McAffrey, Judge of Probate.  
Luman W. Goodenough and Martha Platt Gray, Trustees of said estate having filed in said court their account for the year 1933, and it appearing to the satisfaction of the court that a guardian ad litem should be appointed for the unborn and unascertained persons having a contingent interest in said estate, that said estate should be set for a hearing, that said estate be set for a hearing, that Matthew B. Whittlesey be, and he be appointed guardian ad litem for all unborn or unascertained persons having a contingent interest in said estate in connection with the hearing upon the account of said Trustees for the year 1933.

IT IS FURTHER ORDERED that the 15th day of June 1934, at nine o'clock in the forenoon, Eastern Standard Time, at said Probate Office, be and it be set for the hearing and place for hearing said petition; and it is FURTHER ORDERED that notice of such hearing be given by publication of a copy of this order for three successive weeks prior to said date of hearing in one of the Farmington Enterprise, a newspaper printed and circulated in said county, and by delivering a copy of said order to said Matthew B. Whittlesey, guardian ad litem, at least four days prior to such hearing.  
DAN A. McCAFFEY, Judge of Probate

A true copy. By Florence Doty, Deputy Register. May 21—June 14

#### FARMINGTON WOMEN'S CLUB

The next meeting of the Farmington Women's Club will be at the home of Mrs. Martha Warner, June 9, with pot luck dinner at 1 P. M. Members are asked to bring dishes and silver.

The meeting of May 23rd was at the home of Mrs. Zayda Wilbur. Mrs. Imogene Bicking gave a fine tribute to those who meet with us no more and Mrs. Mary Johnson gave an interesting paper, "Hill-top Towns of Italy."

The high light of the afternoon was the book review, "Conduct of Life," by Benedetto Croce, given by Miss Katherine Sprague.

—Ethel Schroeder, Corr. Sec.  
Arthur Sharrow entertained the officers of the Bee Association of Wayne County at his home recently. Mr. Sharrow is vice-president.

Mr. and Mrs. Marvin Addis and Mrs. M. E. Addis were guests Sunday evening of Mr. and Mrs. Henry Smith of Farmington. Terraplane and Hudson crankshafts each have eight counterweights forged integrally with the shaft.

## SIXTY GALLONS of electrically-heated hot water for 10c A DAY!

A NEW low rate is being offered for electric water heating. This is a flat annual rate for year round service, and enables you to enjoy the convenience of electric hot water for as little as 8c a day for 40 gallons. Sixty gallons of hot water cost 10c a day, and eighty gallons 12c a day. Under this new arrangement, you may also obtain a seasonal rate for electric hot water, should you desire to use the heater only during the summer months. This rate is somewhat higher—

Once you have enjoyed the convenience of abundant electric hot water, in a definite quantity, you will wonder how you ever did without it. There is no waiting for water to heat on a stove, no running up and down stairs to "pat a tank" or light a manually operated heater. You decide how much water your family needs and put in a heater of that size. A supply of hot water is heated at night and is available throughout the day and night. For bath and for shower, for sharing, for washing dishes, for the laundry, for house-cleaning, for countless daily tasks, abundant hot water is a comfort and a convenience you should not be without. An electric water heater is an indispensable part of your house equipment.

Modern automatic electric water heaters are on display at your nearest Detroit Edison office. Come in and see them today.
