Charles L. Wilson, Former Chief Assistant To Prosecuting Attorney In Sheriff's Race On Republican Ticket

Mr. Wilson is a lifelong resident of Michigan and has lived in Oakland County for 15 years. He is married, has three children and owns his own home in Farmington Township.

Mr. Wilson after graduating in high school attended Albion college, University of Michigan and is a graduate of the University of Detroit Law School. He worked his own way through all of these schools without aid from any person.

Mr. Wilson was formerly Justice of the Peace in Farmington Township. In 1927 and 1928 he was an assistant Prosecuting Attorney of Oakland County. During the time he was in the Prosecuting office he either tried or assisted in the trial of a majority of the criminal cases. Since leaving that office he has practiced law in the City of Pontiac.

Because of his training and experience his many friends believe his services in the Sheriff's Office would be of great benefit to the county and operate at a saving in many ways.

Mr. Wilson is a member of the Masonic Lodge and the Elks Lodge. (Some advertisements have been run by Mr. Wilson's opponent to the effect that he has saved a great amount of money in the last two years. Please bear in mind that the board of supervisors set the budget for each office in the county, and according to his own figures the expenses for the first six months of this year were \$10,000.00 in excess of the budget set by the supervisors.) This advertisement was prepared and paid for by friends.

5,000 ARE SEEKING PUBLIC OFFICE IN STATE THIS YEAR

At least 5,000 Michigan men and women are seeking public office and will have their names presented to the voters at the primary Sept. 11, according to estimates made by the Department of State. Under recent changes in the election law, there will be many candidates, however, whose names will not be on the primary ballots. In cases where a candidate is unopposed for the nomination for the office he is seeking, the name will not be printed on the ballot. Several county clerks report that this change in the law will result in considerable savings.

Another change in the election law that is of importance to voters is the provision regarding length of residence in the voting precinct. Under the old law, voters were required to live at least 20 days in the ward and precinct in which they voted. The present law requires 20 days residence in the city, village or township and allows for transfer of registration on election day.

The state law governing election expenses requires every candidate and every primary campaign committee treasurer to file a report of expenses incurred within 10 days following the primary election. Candidates and campaign treasurers have 20 days in which to file reports after the November election.
