Fairview Pupils Try Shakespeare

FARMINGTON The Bard himself might have applauded Fairview Elementary School's fifth-sixth grade production of "A Midsummer Night's Dream." In two performances on Dec. 16, Barry Fayne's students performed to a receptive audience of parents and K-6 grade classes in Fairview School of Farmington Public Schools.

The company painted delicate wooded scenery, designed classic costumes and learned the effects of lighting and use of fadeout music by Mendelssohn.

THIS EDUCATIONAL experience in theater, literature, art, music and dance provided an exciting challenge and intense involvement for each child in the class, says Fayne.

Laura Arnoldy was director, Lisa Laarman was assistant director and Daniel Lutz commentator.

The cast included: Greta Silver and Dana Vikser as Puck; Jeff Kall and Howard Friedman as Theseus; Mitchell Wiatrak as Egeus; Debbie Rodgers and Susan Marks as Hermia; Mike Neuvirth as Demetrius.

don't MAKE IT ONE FOR THE ROAD!

Not if you want to make it into '72! That slightly out-of-focus vision, that not-quite-perfect coordination can get a lot of laughs at a party. Out on the road it brings tears.

Drunken drivers aren't the only staggering figures. The statistics on car accidents caused by them are pretty staggering, too. And, a lot of people became statistics... courtesy of that chap who had to have just one more for the road.

It is the season to be merry. It is the time for good fellows to get together to celebrate. And we want you to keep right on celebrating--all through the year.

Remember. Tomorrow is the beginning of the rest of your life. Be here to enjoy it. Don't make it one for the road. Make it home safely instead.
