ATTENDANCE INCREASES
Capitain E. A. Duff, Head of the
Chaplain Corps of the Navy, after
a survey of the attendance of naval
personnel at religious services,
stated that during the past year
the number of divine services held
in the fleet and at naval shore sta-

tions had increased and that there was a corresponding increase in attendance.

### Value of Kindness

(Exchange)

I think life would be easier if more of us liked people. All kinds of people, under all kinds of conditions and handicaps. I think our heaviest burdens would be lighter, and our important problems less worrisome, if we didn't have to carry so many little loads of thoughtessness, and have our minds and hearts troubled by so many irrifling rubs. It's really quite easy to write a kind letter. It's easier still to say a kind word. Few of the things we have the opportunity of doing for other people really involve any very paintul self-sacrifice. And the things of this sort we don't do sterilize our own souls, and harden our own

How often you have heard it said, "It is the long steady pull that gets results." When everybody is doing the same thing in harmony, hear results are obtained. That applies to safe and sane driving, each motorlat seeking to conform to the rules of the road, adjusting himself to constant changes in driving conditions. The it was 1320 feet wide in Washings, to seem though the second of the lands and premises described as a final more and the second of the lands and premises described in said on the dollar story, because he said that dollars story, because he said that dollars story because he said that dollars story because he said that dollars story because he said that dollars weren't coined in American until after Washington here are results.
