

Prepare For Walled Lake

(Continued from Page One)
 yards for holding. This real break enabled Farmington, a moment later, to block Milford's attempted kick from the end zone, and Mike Pyrales fell on the ball for a touchdown. Davis missed the try for extra point, and the score was 6 to 0. Neither team threatened seriously after that.

Farmington made seven first-downs and Milford made six. Several of the latter's first downs were the result of Farmington penalties. Ralph Derrick must be lost to the team for the Walled Lake game, according to Coach Kammerer. There is a slight possibility that Tony Himmetspach, injured in the Keego Harbor game three weeks ago, may be back in the

lineup for Walled Lake. This would strengthen the team as Bob Woschn, who has done an excellent job of substituting for Tony at full back could be moved back to right end where his speed is a great asset.

With two wins and a tie in league competition, Farmington will be definitely in the race for the league title if Walled Lake can be subdued. The league games this week are South Lyon at Brighton, and Keego Harbor at Clarkston.
