## The Easiest Driving FORD Ever Built

The Ford V-8 engine gives a smooth flow of power over a wide speed range. This cuts down gear-shifting. But when gear-shifting is necessary, it is more convenient. The lever travels a shorter distance.

A new 17-to-1 steering gear ratio makes steering easier, too. The Ford clutch takes surprising little effort. Ford Super-Safety Brakes stop the car quickly and surely with slight pedal pressure.

Enjoy a Ford V-8 ride. Phone us today.

## Who Knows A Man Best?

If you want to get the measure of a man, find out what others in his own line of work think about him! No one knows better than they do what his capabilities are.

Soon after he became Clerk of Oakland County, the ability, and efficiency of Lynn D. Allen so impressed others, and became so widely known throughout Michigan, that he was chosen President of the State Association of County Clerks -- one of the youngest men, both in years and term in office, ever to hold that honor.

### MACHINES CAN TAKE MICHIGAN'S BALLOTS NOV. 3

Not to exceed nine political parties will face Michigan's voters, on ballots or voting machines, Nov. 3. Department of State records show that of interest in this connection is the fact that the modern style voting machine will not accommodate more than nine parties, without the machine adjustment by factory representatives. City clerks, in cities where voting machines are used, were concerned over the one-time possibility that paper ballots might have to be reported to throughout the state. Fifteen parties originally filed their vignettes with Oville E. Atwood, Secretary of State. No voting machine could accommodate them all.

Ten parties will face Wayne county voters as the candidates of one party will be confined to Wayne county races. Paper ballots are used in that county, however.

The order in which political parties are arranged on the ballot, is, under state law, determined by the number of votes cast for the several party candidates for Lieutenant Governor at the last preceding general election. The nine parties certified to the ballot by the Department of State, in the order in which they will appear on the ballot, follows: Republican, Democratic, Socialist, Communist, Farmer-Labor, Socialist Labor, Commonwealth, American and The Third Party.

Six parties of the original fifteen, will not be represented for a variety of reasons. No candidates' names were filed for the People's Progressive, National, Proletarian or Liberty parties. The candidates of the Progressive party withdrew.

The state of the United party was not accepted because of its failure to conform with state election law requirements.
